## A MESSAGE FROM YOUR PRESIDENT

For forty-seven years, the National Capital Heavy Construction Association has represented the interests of the heavy construction industry in the national capital region. Our industry is a significant economic driver performing well over \$1 billion in infrastructure work annually and employing over 7,500 people in the region. We play a vital role in the construction and maintenance of the infrastructure that is so critically important to maintaining the well-being of our community.

I am honored to act as the 47th President of the Association and build upon the foundation laid by our Past Presidents and Board Members. I am very fortunate to have the support of our Past President, Brian Lane, our committed Board of Directors and Executive Director, Kathryn Sutherland.

This year is an important one as we continue our existing programs and initiatives to support our members so that they, in turn, will be successful. We are also rolling out new initiatives focused on social procurement, VPM program priority modifications and a revamped City Spec Update program.

Our fifth annual CHEO Construction Equipment Parade will take place on September 20, 2025. This event has been a huge success as our members come together to support the community and bring smiles to the faces of the children in palliative care at CHEO and Roger Neilson's Children's Hospice. We invite you to participate by registering your equipment in the procession and making a donation.

During my presidency, my priority will be **advocacy** which aligns with NCHCA's first objective to advocate strong, clear positions and expectations regarding issues that affect the heavy construction industry.

We anticipate holding many **networking events** in 2025, including the Education Series, Curling Bonspiel, Baseball Tournament, Soccer Invitational, Manhole and Pothole Open golf tournaments, BBQ Shine & Show, and the Fall Gala.

The **recruitment** of workers to the heavy construction industry remains a priority for NCHCA. Our website [www.buildforyourfuture.ca](http://www.buildforyourfuture.ca) continues to attract inquiries from individuals who are interested in working in the industry. We have received over 5,000 inquiries and have provided each with information about working in the industry.

We recognize and value our ***relationships with our stakeholders***. We will continue to work closely with our partners – municipal governments, private sector owners and consulting engineers – and will build on the success of the 2025 Education Series, which brought together 500 industry professionals at this industry-wide educational and networking event.

We will continue to work closely with the City of Ottawa through monthly liaison meetings and providing feedback on City initiatives such as the VPM program, and specification updates..

I look forward to my term as president and to providing our members with information and resources so that they, in turn, can be successful.

Please do not hesitate to reach out to me at any time.

**John DeKroon**

# NATIONAL CAPITAL HEAVY CONSTRUCTION ASSOCIATION

The National Capital Heavy Construction Association represents the heavy construction industry (sewer and watermain contractors, road builders, aggregate producers and suppliers to the heavy construction industry) in the National Capital region. Our industry is a significant economic driver performing well over \$1 billion in infrastructure work annually. Our members play a vital role in the construction and maintenance of sustainable infrastructure.

NCHCA was created in June 1978 by the amalgamation of the National Capital Roadbuilders Association and the National Capital Sewer and Watermain Association. It serves contractor and associate members in and around Ottawa.

## OUR MISSION

To act as a resource to our members and promote the heavy construction industry in the construction and maintenance of sustainable infrastructure.

## OUR OBJECTIVES

- **Advocacy:** To advocate strong, clear positions and expectations to municipal governments and private sector owners regarding issues that affect the heavy construction industry.
- **Resources for Members:** To serve as a resource to our members and facilitate educational development.
- **Recruitment:** To promote recruitment to the heavy construction industry by developing recruitment and retention strategies that address current and anticipated labour shortages.
- **Stakeholder Relations:** To facilitate the two-way flow of information between the heavy construction industry and its stakeholders to promote better understanding and cooperation between the public, owners, engineers, and contractors.
- **Networking Activities:** To organize networking activities to promote leadership, professionalism, goodwill, and cooperation within our membership.

## NCHCA'S TOP PRIORITIES FOR 2025

- Advocate strong, clear positions and expectations to municipal governments and private sector owners.
- Serve as a resource to our members and facilitate educational development.
- Promote a positive perception of the heavy construction industry to encourage recruitment and retention of workers.
- Facilitate flow of information between the heavy construction industry and its stakeholders.
- To organize networking activities to promote leadership, professionalism, goodwill, and cooperation within our membership.

# TOP TEN REASONS TO JOIN NCHCA

1. Grow your business! Only members have access to NCHCA's great advertising and sponsorship opportunities.
2. Spend time with industry colleagues at NCHCA's great professional and social networking events.
3. Shape the future of the industry and advance its interests by adding your voice as a member.
4. NCHCA's annual Education Series, the only industry event where industry, City staff and consulting engineers spend time together in an informal setting.
5. NCHCA's Bursary Program, available to all members and their families.
6. Benefit from recruitment and retention strategies.
7. Advance industry's relations with the City of Ottawa by participating in NCHCA's monthly Liaison meetings.
8. Attend NCHCA Health & Safety Committee meetings for up-to-date health and safety information.
9. Contribute to the work of NCHCA's Committees to develop industry resources and provide input, feedback and perspective to the City of Ottawa on its initiatives, programs and processes.
10. Access resources available to NCHCA members.

## MEMBERSHIP BENEFITS

NCHCA is proud to provide the following benefits and resources to its members.

- Great professional and social networking events
- Complimentary Commissioner of Oath Services
- City of Ottawa Liaison Program
- Education Series
- Health and Safety best practices
- Student bursaries
- Advertising and sponsorship opportunities
- Endowment Funds
  - Carleton University
  - Algonquin College
  - La Cité

## NCHCA BURSARY PROGRAM

In support of its objective to promote recruitment to the heavy construction industry and encourage educational development, NCHCA offers three bursaries of \$2,500 each to member employees and their children.

- President's Award
- Board of Directors Award
- Women in Construction Award

### Applicants must be:

- An employee of an NCHCA member, or the child of a person who works for an NCHCA member,
- Registered full-time at a Canadian post-secondary institution, and
- Entering at least the second year of an undergraduate program or the first year of a graduate program.

Application requirements (documents may be uploaded through the online application form)

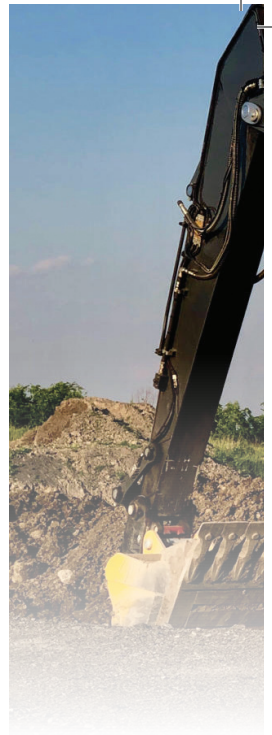

- Completed application form
- Transcripts of previous scholastic results
- Evidence of university or college enrollment
- Two letters of reference attesting to personal attributes

Preference may be given to applicants enrolled in courses related to the industry.

To Apply for a 2025 Bursary, please complete the online application form at [nchca.ca/bursary](http://nchca.ca/bursary) by July 31, 2025

### Congratulations to our 2024 Bursary Committee Award Winners!

Board of Directors Award - Alejandro Ignacio Rios Jaqui  
Women in Construction - Emily Naismith  
Presidents Award - Austin Herrington  
Committee Award - Mark Mikaya

## SPONSORSHIP AND ADVERTISING OPPORTUNITIES

Without the support of our members through the purchase of sponsorship and advertising, we would not be able to host our great social, networking and educational events.

The following sponsorship and advertising opportunities are available for NCHCA's in-person and virtual events.

- Curling Bonspiel
- Education Series
- Annual General Meeting
- Softball Tournament
- Pothole Open
- Manhole Open
- BBQ Shine & Show
- Soccer Tournament
- Fall Gala
- Membership Directory
- Newsletter & Website

[NCHCA.CA/SPONSOR](http://NCHCA.CA/SPONSOR)

[WWW](http://WWW)

## CORPORATE SPONSORSHIP \$10,000

The NCHCA corporate sponsor package provides members with the opportunity to support their association and be recognized throughout the year at all NCHCA events, on the NCHCA website and social platforms, in NCHCA e-blasts and email signatures, and in the NCHCA Newsletter.

Thank you to this year's corporate sponsor

Corporate sponsors receive:

- Free membership dues (\$825)
- 2 free registrations at every event
- Acknowledgement on corporate sponsor banner at all events
- Acknowledgment in all newsletters and on social platforms
- Sponsor's logo on the NCHCA website linked to sponsor's website
- Use of the NCHCA corporate sponsor logo
- A corporate sponsor wall certificate
- Acknowledgment in NCHCA's Annual Report
- Acknowledgment at all NCHCA events

WWW

# NCHCA SUCCESS IN 2024

## INPUT TO CITY OF OTTAWA INITIATIVES

NCHCA provided industry input, feedback and comments on City initiatives, including:

- Spec updates
- Improvements to Vendor Performance Management System
- Health & Safety Management System Requirements
- Social procurement

NCHCA continues to advocate for our industry at monthly Liaison meetings.

## PROVINCIAL ADVOCACY

In 2024, NCHCA provided industry input, feedback and perspective regarding

- Excess soil management legislation
- Locate system improvements
- New Design Criteria for Sanitary Sewers, Storm Sewers and Forcemains

## PROFESSIONAL & SOCIAL NETWORKING EVENTS

In 2024, NCHCA hosted great professional and social networking events attended by our members and industry partners.

Events included:

- Education Series, in partnership with the City of Ottawa and the Association of Consulting Engineering Companies of Ontario - Ottawa Chapter
- Curling Bonspiel
- Annual General Meeting
- Softball Tournament
- Manhole Open
- Pothole Open
- BBQ Shine & Show
- Soccer Tournament
- CHEO Construction Equipment Parade
- Fall Gala

Canada's most diverse waterworks distributor  
with HDPE and custom fabrication services

## NCHCA RECRUITMENT PROJECT

In 2020, NCHCA undertook a 2-year recruitment project to address current and anticipated labour shortages in the Ottawa region.

The heavy construction industry is expected to see employment rise to 8,500 workers by 2022 – an increase of 870 jobs. In addition, it is anticipated that 1,660 workers will retire over the next 10 years.

Recognizing that not enough people are entering the industry and committing to careers in heavy construction, NCHCA's Recruitment Project was initiated to develop strategies and solutions with input from our members and other industry stakeholders to improve perception of the heavy construction industry in the Ottawa area, making it an attractive, long-term career choice.

Our social media campaign in 2023 received over 4,500 requests for more information about working in the heavy construction industry. Please visit [buildforyourfuture.ca](https://buildforyourfuture.ca) for more information.

### Equipment Financing from RBC

Equipment Financing is a financial alternative which allows a business to update equipment without investing the full purchase price.

Equipment Financing can be an ideal form of financing for both tangible, income-producing equipment, as well as leasehold improvements, computers, and office furniture.

Contact us today to receive the advice necessary to determine which type of financing is right for your business.
